

BUNTING PROGRAM 2011 SPRING FORUM SERIES: Transforming Identities in Adulthood

The Mary I. Bunting Program at Douglass Residential College
invites you to:

The English American

Alison Larkin, who *The Times* describes as “hugely entertaining,” is the internationally acclaimed comedienne and best-selling author of the novel, *The English American*. Ms. Larkin will incorporate bits of her one-woman-show, excerpts from her novel, and an array of her famous voices to tell her story of her adoption by English parents. She will then talk about the ways in which finding her American birth-mother as an adult transformed her identity, career, and life. *The English American* will be available for sale and Ms. Larkin will be signing books following her presentation.
